TO ADVERTISERS.

The attention of Advertisers is respectfully drawn to the fact that a copy of the *China Mail* has for some time past been placed on board of every Steamer and Sailing Vessel on arrival in this Harbour.

Facilities which have recently been placed within the reach of Captains and Officers of Ships have resulted in a material increase to the Subscription List of the *Mail* amongst the shipping in port; and as special arrangements have been made to increase the usefulness of the Shipping List and to extend the circulation in the Bay, these advantages will be at once apparent to Advertisers.

Orders may be sent to GEO. MURRAY HAIN, China Mail Office.

It seems almost strange that, while most portions of our vast Empire attract the intelligent study of some few members of our Senatorial House, a Colony like Hongkong, important whether as a distributing terminus for our China trade, or as the only British possession in immediate contiguity to the vast seaboard of the Celestial Empire, and the point d'appui for any military or naval operations which may become necessary, should be absolutely neglected.

This would not be singular did the more general questions constantly arising with reference to our intercourse with China attract special attention. But the fact is quite otherwise. Such matters are seldom discussed in such houses. Not one single Member of Parliament now seated possesses the reputation of being even moderately well posted on topics which seem, and indeed are, to us here all-important. And the consequence is that unredressed grievances accumulate in number and gravity until some more startling occurrence than usual hurries us to the brink of
